

2025-2026 ENROLLMENT

We are an independent private school offering an exceptional educational experience for students Toddler through 2nd Grade. Our school year runs from September - June with a short summer program mid July through mid August. Please read below for enrollment information.

1. TAKE A TOUR/ATTEND AN OPEN HOUSE *(optional)*

Families are welcome to tour our schools. During your tour, we will guide you around our entire campus, both inside and out. If you are then interested in enrolling your child in our school, you are welcome to fill out an application for enrollment.

2. FILL OUT AN APPLICATION

The application for enrollment is located on our website. This is a **request** for enrollment. Once an application is received, we will reach out to you within 2 business days to confirm receipt.

3. PARENT INTERVIEW & STUDENT ASSESSMENT

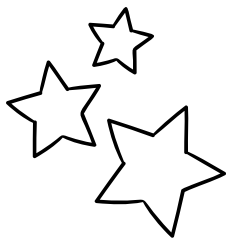

Once we receive your application, we will reach out within 2 business days to schedule a parent interview and student assessment. While the student is meeting with a teacher for their assessment, an administrator will meet with the parents/guardians to learn more about the student. This is also an opportunity for the parent to discuss their child and any needs they may have or accommodations they may require. It is essential that parents provide a copy of the students most recent report cards/transcript and achievement test results from the prior school year, if applicable. If a child has a current IEP, 504, or receives services, all information and paperwork regarding the students' needs and services must be shared at this time. If this paperwork is not received, a determination for acceptance into the school will be postponed until paperwork is provided.

4. ACCEPTANCE

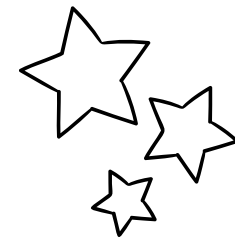

If your child has been accepted into Over the Moon Enrichment or The Academy at OTM, you will be notified within 2 business days of your parent interview/student assessment. Within 1 week of acceptance, all enrollment fees and necessary tuition will be due. If your child is accepted, but due to availability they are wait listed, you will be notified via email. Once enrollment has been accepted and first payments are made, they are NON-REFUNDABLE as they hold your student's seat.

5. FINAL DOCUMENTS

The office will inform you of any documents that are due or are outstanding. These may include an Emergency Card, Physical, Immunizations, Student Birth Certificate, IEP/504, Request for Records, Enrollment & Tuition Agreement, etc. If documents are required or outstanding and not received, the student's placement in our school may be forfeited.
